

COMMUNITY SERVICE: THE ULTIMATE CZECH EXPERIENCE

Friday to Sunday, March 6 - 8

Trip itinerary and more details will be provided to those who signed-up by email

WHAT IS IT ABOUT?

- We'll go to an NGO in Czech countryside and will help them with whatever they need
- **Easy manual labor:** cutting wood, painting fences, cleaning gardens after winter, etc.
- We'll take **local train or bus** to get there Friday afternoon, have a group dinner and we'll get to know the others – it's not just CET, we'll get to know the other Czech volunteers as well
- On Saturday, we'll help around the house/ farm / cultural center – depending on which NGO we will be helping
- And after hard days work, we'll have a **campfire** and some reward will be organized (last semester it was horse riding!)

A FEW SNAPS FROM LAST SEMESTER

(we were helping at a parish house from 1600's that's now a community center)
